Much Like its Clients, CAMC is the Happiest PR Firm in the Business

CORAL GABLES, FL – July 20, 2015 -- In the recently released World Happiness Report, Costa Rica and Trinidad & Tobago, both clients of award-winning travel and hospitality public relations firm Cheryl Andrews Marketing Communications (CAMC), were ranked as the first and second happiest countries in the Caribbean.

Following its clients' lead, CAMC and its entire staff are proud to work in one of the happiest and most dedicated public relations workplaces found anywhere in the country. With 17 extraordinary PR professionals on staff, located in beautiful downtown Coral Gables, Florida, CAMC has been representing Trinidad & Tobago for over 20 years and Costa Rica for the past two.

"We're here to make good things happen for others," commented CAMC President and Founder Cheryl Andrews with a smile. "We believe that good and happy team members contribute to happy and long lasting client relationships."

Whether it's taking the time to celebrate coworker's birthdays, out of work accomplishments or making sure everyone gets some much needed vacation time, CAMC takes care of its valued employees just as it takes care of its valued clients. Whether in the Caribbean or in downtown Coral Gables, Florida, happiness seems to follow the CAMC team.
