**LOONIE GOT YOU DOWN? SAVE ON A FLORIDA KEYS VACATION THIS WINTER**  
*Hawks Cay Resort announces limited-time “snowbird special” to offset weak Canadian dollar*

**DUCK KEY, Fla. – October 28, 2015 – [Hawks Cay Resort, Villas and Marina](#)** has long drawn Canadian “snowbirds” who flock to the Florida Keys for its year-round sunshine, tropical breezes and warm temperatures. With the growing disparity between the Canadian and U.S. dollars, however, many are concerned that their Florida vacation budgets will be stretched too thin. To help offset the weak loonie, Hawks Cay Resort is introducing an exclusive limited-time offer to Canadian travelers. Now through February 11, 2016, our neighbors to the north can book with our Canadian currency match offer bookings of two nights or longer.

The only true island resort destination in the Florida Keys, Hawks Cay offers a wealth of accommodation types including two- and three-bedroom villas, which are particularly well suited for extended stays by Canadian travelers. Complete with fully equipped kitchens, full-sized washers and dryers and ample room to spread out, the villas at Hawks Cay offer that home-away-from-home feeling in the middle of a 60-acre island paradise.

This promotion is subject to availability and cannot be combined with any other offer. Please note that although nightly rates will be quoted in CAD, final payment transactions—both online and on-property—will be in U.S. dollars at up to 25 percent off. A valid Canadian driver’s license or passport must be presented at check-in.
