The Solana restaurant at Ocean Club West has opened on the widest section of Grace Bay Beach in Providenciales, Turks and Caicos.

Solana, open daily from 7:30 a.m. to 10 p.m., is the final addition to the \$6.5 million renovation completed at both Ocean Club and Ocean Club West over the last three years.

Guests at Solana have three al fresco dining venues: the Grill Deck offers casual fare and views of the beach; the Bar & Lounge features live music on Thursdays and cocktails and tapas on Saturdays; and the Teppanyaki and Sushi Bar allows patrons to engage directly with the chefs.

Other dining options at Ocean Club Resorts include the beachfront Cabana Bar & Grille and the Opus Wine Bar at Ocean Club.

A complimentary shuttle is available between the two properties.
