

Frangipani Unveils New, Stylish Beachfront Villa in Anguilla

Frangipani Beach Resort in **Anguilla** recently unveiled a new, stylish villa offering a peaceful haven overlooking **Meads Bay Beach**.

The 5,000-square-foot villa was specially designed to host holiday escapes in a private sanctuary for families and intimate groups. It has four-bedrooms, and four and a half bathrooms.

Recently completed, the new addition provides the privacy and intimacy of a villa with the added bonus of access to resort amenities and services including concierge services, continental breakfast compliments of **Straw Hat Restaurant**, complimentary water sports, signing privileges at Straw Hat Restaurant and **Petals Boutique**, use of the fitness center and tennis courts and access to guest-only boat trips and charter opportunities.

Occupying two floors, with four ocean-facing bedrooms - two bedrooms upstairs and two downstairs - each en-suite bath is equipped with a bathtub, an indoor shower and an outdoor shower.

A downstairs living room, kitchen and indoor dining area are part of the villa's lower level, as well as a washer and dryer. The kitchen is fully equipped with two ovens, two dishwashers, stove top and everything needed to prepare a great Anguillan feast.

Guests also have the option of chatting with the resort's team about hiring a private chef for a one-off dinner experience or an entire week of meals at home.

Upstairs, guests will find a living room/entertainment area equipped with a shuffleboard table and a large screen TV along with a stunning view of Meads Bay Beach. Additionally, there is a multipurpose room which can be a play room, additional bedroom or nanny's room.
