## **HAWKS CAY RESORT DEBUTS INTERACTIVE MERMAID EXPERIENCE**

*Kora the Mermaid becomes part of the vacation experience at the iconic Florida Keys Resort*

**DUCK KEY, Fla. – June 19, 2017** – [Hawks Cay Resort](http://www.hawkscay.com) is ringing in the summer season with the debut of a mermaid experience featuring Kora the Mermaid. The new interactive entertainment experience transforms the Resort’s saltwater lagoon into a family-friendly spectacle of singing and music for guests to enjoy. Not only is Kora there to entertain, but she also interacts with the guests, swimming up to shore to meet guests and take pictures.

The Resort is striving to expand its entertainment options, especially outdoor activities for the whole family according to VP Managing Director, Sheldon Suga. “We are a multigenerational destination, so it’s important that we create entertainment and activities that every family member can participate in and enjoy,” said Suga.

The Resort’s new experience has something to offer for both children and adults alike. At Coral Cay Activities Center, Kora the Mermaid provides an array of activities from reading books to playing games, and telling stories about her underwater adventures. Mermaid tails are also available to purchase for the children to use while swimming in the pool with Kora.

As for the adults, Kora teaches an aqua yoga class as a fun way for guests to stay active while on vacation. This new class is a unique addition to the workout schedule already offered at the Resort.
