Family Getaway to Ocean Club Resorts on Turks and Caicos Grace Bay

If there is one thing Ocean Club resorts are perfect for it's families in need of a relaxing [vacation](#). The two sister properties: Ocean Club and Ocean Club West are located on Grace Bay in Providenciales, Turks and Caicos which is a quick 1.5 hour flight from Miami. When I stayed at the [Ocean Club West](#) property a couple of years ago, I kept thinking that this is one resort I would love to take my family. I knew they would enjoy the quiet island ambiance, pretty scenery, beachfront access and other family getaway benefits the resorts offer such as the following:

Spacious suites. These fully-equipped suites are easy to settle into for a week or more at time and are complete with a full kitchen, washer and dryer and living and dining areas. Each room has a private screened-in terrace, perfect for privacy and keeping children safe.

Water Sports. Because both resorts are situated on 12-mile long Grace Bay's white sand beach means there is plenty of space for water play. Ocean Club Resorts offers access to many water activities including windsurfing, private boat trips on catamarans, sailing vessels and powerboats and rentals for individual play like snorkeling equipment and boogie boards.

Pools. What's a tropical resort without a pool? Ocean Club resorts have three freshwater pools ranging from one to five feet in a serene garden setting.

Kid-friendly dining. The outdoor Cabana Bar & Grille at Ocean Club and Seaside Cafe at Ocean Club West serve breakfast, lunch and light dinner with a child-friendly menu

including sandwiches, wraps and burgers. The fruity tropical drinks add to the tropical ambiance. If families desire a break from restaurant eating, they may utilize any of the poolside BBQ areas which are located throughout the properties.

Activities. Older children will have fun hitting tennis balls on the on-site courts or taking a bike ride on the resort's beach cruisers.

Childcare. While there is not a kid's club on site, Ocean Club does offer babysitting for moms and dads who'd like to sneak away for an adult dinner at Ocean Club's on-site restaurant, Opus. The menu has a wonderful selection of local seafood.
